

International Symposium on Critical Bleeding Copenhagen, August 24th - 25th 2009

Preliminary programme (March 3rd 2009)

August 24th

09.00-09.30 Registration and coffee in the exhibition area

09.30-09.40 Welcome

Dr. P.I. Johansson, Denmark

09.40-10.00 Introduction

Dr. J Stensballe, Denmark

10.00-12.00 Session 1: Resuscitation of critical bleedings

Chairman: Prof. B D Spiess, USA

Dr. A Perner, Denmark

Prof. J.B. Holcomb, USA

Prof. J.R. Hess, USA

Dr. P.I. Johansson, Denmark

Crystalloids vs. Colloids

Is the FFP:RBC ratio the answer? YES

Is the FFP:RBC ratio the answer? NO

Platelet transfusion in critical bleeding

Questions & Discussions

12.00-13.00 Lunch in the exhibition area

13.00-15.00 Session 2: Coagulopathy in critical bleeding

Chairman: Prof. J.R. Hess, USA

Dr. M Levi, Netherlands

Prof. K Brohi, UK

Prof. J-F Hardy, Canada

Prof. B.D. Spiess, USA

Coagulopathy in the ICU setting

Acute coagulopathy of trauma

Coagulopathy of massive transfusion

Coagulopathy of extracorporeal circulation

Questions & Discussions

15.00-15.30 Coffee in the exhibition area

15.30-17.00 Session 3: Monitoring of coagulopathy

Chairman: Prof. D Fries, Austria

Prof. J.R. Hess, USA

Dr. P.I. Johansson, Denmark

Prof. J Astermark, Sweden

Conventional coagulations analysis

Viscoelastical whole blood assays

(TEG/ROTEM)

Aggregometry and adhesion assays

Questions & Discussions

17.00-18.00 Session 4: Panel vs. Floor

Chairmen: C Gaarder, Norway & J Stensballe, Denmark

Panel: All speakers

Case presentations and discussion with the floor

19.00 Gala Dinner

International Symposium on Critical Bleeding Copenhagen, August 24th - 25th 2009

August 25th

08.00-10.00 Session 5: Pharmacological interventions in critical bleedings

Chairman: Prof. M.M Carrick, USA

Prof. D Fries, Austria

Dr. J Stensballe, Denmark

Prof. J-F Hardy, Canada

Prof. J Astermark, Sweden

PCC, Fibrinogen

Recombinant factor VIIa

Antifibrinolytic therapy

DDAVP

Questions & Discussion

10.00-10.30 Coffee in the exhibition area

10.30-12.30 Session 6: Pharmacological complications in critical bleedings

Chairman: Prof. J.B. Holcomb, USA

Prof. B .D. Spiess, USA

Dr. M Levi, Netherland

Prof. J Astermark, Sweden

*Treatment of bleeding patients on
coagulation factor inhibitors*

*Treatment of bleeding in patients on platelet
inhibitors*

New anticoagulant and antiplatelet agents

Questions & Discussion

12.30-13.30 Lunch in the exhibition area

13.30-15.00 Session 7: Resuscitation in perspective: Challenges in critical bleeders.

Chairman: Prof. K Brohi, UK

Prof. M.M. Carrick, USA

Prof. D Fries, Austria

Dr. S Stanworth, UK

Dr. C Gaarder, Norway

The Trauma Surgeons view

The Anaesthetist' view

The Blood Bankers view

The Trauma Team

Questions & Discussion

15.00-16.00 Session 8: Panel vs. Floor

Chairmen: Dr's C Gaarder, Norway & J Stensballe, Denmark

Panel: All speakers

Case presentations and discussion with the floor

16.00-17.00 Session 9: Future directions

Chairman: Dr. P.I. Johansson, Denmark

Prof. J-F Hardy, Canada

Prof. K Brohi, UK

Prof. J.R. Hess, USA

Prof. J.B. Holcomb, USA
